WikiLeaks

global defense of sources and press freedoms, circa now—

22 October, 2010

Have documents the world needs to see?

We help you safely get the truth out.

We are of assistance to peoples of all countries who wish to reveal unethical behavior in their governments and institutions. We aim for maximum political impact.

Disclosed documents are classified, censored or otherwise opaque to the public record. We rely on readers to alert their communities and press to the revelations here. Go to it!
